

# **Ultralight Dark Matter and observable phenomena**

**Tuesday, September 30, 2025**

**Coffee and refreshments: Day 2: Simulations, structure formation, halos - 205 (9:00 AM - 9:30 AM)**

# Wednesday, October 1, 2025

**Coffee and refreshments: Day 3: Pulsars, stars, and other probes - 205 (9:00 AM - 9:30 AM)**

# Thursday, October 2, 2025

**Coffee and refreshments: Day 4: Gravitational waves and experimental searches - 205 (9:00 AM - 9:30 AM)**

# Friday, October 3, 2025

**Coffee and refreshments: Day 5: Phenomenology and experimental approaches - 205 (9:00 AM - 9:30 AM)**
