

Dear WIOS participant,

Here are some useful information about public transportation in Trieste.

#### **HOW AND WHERE TO BUY BUS TICKETS:**

You can buy the bus tickets in the 'Tabacchi' store (with a "T" blue on a white or black background) inside the train station and all over the 'Tabacchi' stores in Trieste. The price is 1,25 euro (valid for 60 minutes from stamping time). Multi-trip ticket (valid for 10 trips, each valid for 60 minutes from stamping time) = 12,15 euro.

Before getting up in any city bus, please make sure you buy the bus ticket in advance. On the bus you are supposed to have already the ticket, and stamp it in the stamping machine.

Otherwise you can buy the ticket with the addition of 1 euro directly on the bus.

Once you get the #38 bus, it will leave you directly in front of the SISSA main entrance, in fact SISSA it's the last #38 bus stop.

Ask to the bus driver if you have any problem!

The #38 bus leaves every 20 min from via Galatti, for example in the morning at 7.40, 8.00, 8.20, 8.40, 9.00. Please be aware that due to the conference or to other special events, the bus could be crowded and you might need to wait for the next one.
