

Session Program

Sep 7 - 11, 2026

The Multimessenger Sky at Extreme Energies: From Sources to Fundamental Physics

Synthesis, Discussion & Outlook

Institute for Fundamental Physics of the Universe (IFPU), Room D

Mon, September 7

3:50 PM

5:00 PM

Synthesis, Discussion & Outlook: Monday

Session | **Location:** Institute for Fundamental Physics of the Universe (IFPU), Room D

Tue, September 8

3:50 PM

4:50 PM

Synthesis, Discussion & Outlook: Tuesday

Session | **Location:** Institute for Fundamental Physics of the Universe (IFPU), Room D

Wed, September 9

3:50 PM

5:00 PM

Synthesis, Discussion & Outlook: Wed

Session | **Location:** Institute for Fundamental Physics of the Universe (IFPU), Room D

Thu, September 10

3:50 PM

5:00 PM

Synthesis, Discussion & Outlook: Thursday

Session | **Location:** Institute for Fundamental Physics of the Universe (IFPU), Room D

Fri, September 11

9:30 AM

Synthesis, Discussion & Outlook: Friday

Session | **Location:** Institute for Fundamental Physics of the Universe (IFPU), Room D

12:30 PM

9:30 - 10:00 AM **Coffee break**
