

Session Program

Apr 13 - 17, 2026

Annual Meeting of the RadioForegroundsPlus Network

Science Meeting - Foreground Physics

Thu, April 16

9:30 AM

Science Meeting - Foreground Physics Session

9:30 - 9:50 AM Thermal Dust Fitting: with the Temperature Ladder Model

Speaker
Aparajita Sen

9:50 - 10:10 AM

Modeling the galactic and local magnetic field using thermal dust emission

Speaker
Mathias Regnier

10:10 - 10:30 AM Projecting Foregrounds into E and B Fields (TBC)

Speaker
Gilles Weymann-Depres

10:50 AM
