Contribution ID: **14**   Type: **Contributed talk**

Nonlinear Model Reduction for Complex Systems using Sparse Sensor Locations from Learned Nonlinear Libraries

Thursday, October 15, 2015 11:40 AM (20 minutes)

Primary author: Prof. KUTZ, J. Nathan (University of Washington)

Co-authors: Prof. BRUNTON, Steven L. (University of Washington); Ms SARGSYAN, Syuzanna (University of Washington)

Presenter: Prof. KUTZ, J. Nathan (University of Washington)

Session Classification: CT5

Track Classification: Contributed talks
