

MoRePaS 2015 - Model Reduction of Parametrized Systems III

Friday, October 16, 2015

CT9 - Aula Magna Paolo Budinich (2:00 PM - 3:40 PM)

-Conveners: Karsten Urban

time	[id] title	presenter
2:00 PM	[34] A Model Reduction Approach to Structural Health Monitoring	Mr TADDEI, Tommaso
2:20 PM	[72] Model reduction for a coupled nearwell and reservoir models using multiple space-time discretizations	Dr KHERIJI, Walid
2:40 PM	[8] Element-based model reduction for parameter dependent parabolic PDE's on networks	Mr WALTHER, Maximilian
3:00 PM	[37] A Reduced Basis Kalman Filter for Certified and Rapid State Estimation of Parametrized PDEs	Prof. HAASDONK, Bernard
3:20 PM	[55] Control of an elastic structure based on Galerkin approximations	Prof. ZUYEV, Alexander
