

# SISSA

# JUNIOR MATH DAYS 2022

The aim of the event is to introduce last year Master's students to the world of Ph.D. and mathematical research at SISSA.

We give the opportunity to up to 24 people to spend 3 days in the stimulating environment of SISSA.

You will attend talks given by Professors and PostDocs focused on their research topics and, split in smaller groups, you'll chat with Ph.D. students about their personal experience with research and life at SISSA.

**WHEN** 5-7 December 2022

**WHERE** SISSA
